

How To Find NasalCEASE at CVS

Facts:

- **NasalCEASE is in all CVS Pharmacies.**
- **Many CVS store personnel don't know NasalCEASE.**

How to Locate:

- **NasalCEASE is always in the First-aid aisle next to the band-aids.**
- **If you don't see NasalCEASE yourself, ask for the store manager or assistant manager.**
- **Tell them you know CVS carries NasalCEASE, always in First-aid.**
- **Give them the CVS item # for NasalCEASE 337868.**
- **Ask the manager to enter that item number into the handheld shelf scanning gun.**
- **The scanning gun will show the manager exactly what shelf NasalCEASE is on and how many boxes are on the shelf.**
- **Most CVS stores will have between two to five boxes on the shelf at any time.**
- **If you are looking to purchase several boxes, you can request the manager to order boxes for you in advance and then hold them in your name for pick up.**
- **You can also call the store in advance and have them pull a box or boxes off the shelf and hold them in your name.**
- **Don't take no for an answer!**

If you have a problem, call our toll free # 1-800-650-6673 and we will call the store for you!
