

NasalCEASE®

FIRST AID FOR CUTS AND NOSEBLEEDS

NasalCEASE® Patient Sample and Literature Request

Dear Doctor(s):

NasalCEASE® FIRST AID FOR CUTS AND NOSEBLEEDS is sold over the counter in pharmacies all across the US. Even if not stocked on the shelf, your patients can order NasalCEASE at the pharmacy counter for convenient pickup within twenty-four hours.

We offer NasalCEASE sample packs and informational literature with money saving coupons for your patients.

Your patients can learn a lot more about NasalCEASE the quick and convenient way to stop bleeding at www.nasalcease.com. They can also find a complete list of stocking retailers and access additional money saving offers, both coupons and our everyday free box offer. All stocking pharmacies are listed on our web site: www.nasalcease.com/locateretailer.asp "Locate a Retailer", click on your state on the map, scroll done by city and stocking stores are listed by name with street address and telephone number.

If you wish to receive **NasalCEASE** samples and literature for your patients, simply complete the information below and

Fax this form to 1-585-624-9678 or call toll free 1-800-650-NOSE (6673)
